

Year group 2

Term 4: How does your garden grow?

Our class text:

English

We will begin the term with a focus on poetry. We will learn about riddles and how they are constructed. We will then have a go at writing our own. Following on from this, we will then explore the story 'The Tin Forest'. We will use this as inspiration for some diary writing.

Art

In art we will investigate the artists Georgia O'Keeffe and Rachel Ruysch. We will look at drawing techniques and learn how to sketch flowers in close detail. We will also be making tissue paper flowers towards the end of term.

History

In history sessions this term, we will be looking at famous explorers such as Christopher Columbus and Neil Armstrong. We will discover why they are still famous today and the impact they have had on our world.

Maths

In maths, we will be completing our money journey before looking at multiplication and division. We will learn our 2, 5 and 10 times tables and their related division facts.

Science

In science, we will be learning all about plants and how they grow. We will investigate to find out what is inside a seed and look at the lifecycles of different plants. In addition to this, we will also discover what plants need to stay healthy.

Design and Technology

In our design and technology sessions, we will be exploring structures. We will be looking at how to construct simple structures and how to test these for strength and stability. We will learn how the shape of a structure impacts its strength.

PSHE: Healthy Me

Computing: Data and Information: Pictograms.
