MATCH FUNDING FOR YOUR SCHOOL

Did you know that every time your PTA hosts an event, they could double the money they raise through your workplace?

If you work for a large company or business this could be something they would happily participate in. You won't know unless you ask but the benefits could be huge to the children.

We have our Christmas fayre around the corner, if you think your workplace could help, we would love to hear from you.

"HO HO HO!"

SEE YOU AT THE
CHRISTMAS FAYRE!

Raffle prizes if anyone can donate or works for any companies that would donate prizes.

Do you have a craft or product you want to sell at our Fayre?

If you can help with any of these please let us know.

PROJECT UPDATE NEWS

We are really quite excited to announce that on the 2nd November an extension to the climbing frame will be added in KS1 playground.

Remember all our profits go back into the school to support projects for the children. Look out for updates in upcoming newsletters.
