

LANGTOFT PRIMARY SCHOOL P.E. AND SPORT PREMIUM REPORT FOR 2017/2018

• WHAT IS IT?

A school must use the Premium to develop or add to the PE and sport activities that it already offers and make improvements now that will benefit pupils joining the school in future years. The governors and staff of Langtoft Primary School share the aim of all pupils leave school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision. Schools should not use funding to employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements (these should come out of a school's staffing budgets) nor teach the minimum requirements of the national curriculum, including those specified for swimming.
